

## Divine Saviour

Dillon

When darkness meets light  
The divine saviour  
Shadows form peacefully  
So shine a light on me

Shine a light on me  
Shine a light on me  
Shine a light on me  
Shine a light on me...

Just shine a light on me  
Just shine a light on me

Shine a light on me  
Shine a light on me

Shine a light on me  
Shine a light on me  
Shine a light on me  
Shine a light on me...

Just shine a light on  
Just shine a light on

Shine a light on me  
Shine a light on me
