

# Lonely

Dima Bilan

I just don't understand  
Why'd you leave me like this?  
Come back to me

I look but you're no longer here  
The love we made has dissappeared  
Where has it gone?  
My heart is torn  
I want it like it was before

Release me from these arms that never loved me,  
Never did  
Give me the chance to get myself together  
Once again

You're giving me the sweetest pain  
I can't escape or break this hold you have on me  
And when I do the game is through  
Because of you  
I'm lonely  
I'm lonely  
I'm lonely  
Come take this feeling away  
I'm lonely  
I'm lonely  
I'm lonely  
Come take this feeling away

To silence this is killing me  
I'm lost for words  
Can hardly speak  
You're not around to fill this space  
My heart is cold  
I miss your face

Release me from these arms that never loved me,  
Never did  
Give me the chance to get myself together  
Once again  
Once again  
Once again  
Once again  
Get myself together once again

You're giving me the sweetest pain  
I can't escape or break this hold you have on me  
And when I do the game is through  
Because of you  
I'm lonely  
I'm lonely  
I'm lonely  
Come take this feeling away  
I'm lonely  
I'm lonely  
I'm lonely  
Come take this feeling away

Come take this feeling away

Come take this feeling away

Come take this feeling away

You're giving me the sweetest pain

I can't escape or break this hold you have on me

And when I do the game is through

Because of you

I'm lonely

I'm lonely

I'm lonely

Come take this feeling away

I'm lonely

I'm lonely

I'm lonely

Come take this feeling away

I'm lonely

I'm lonely

I'm lonely

Come take this feeling away
