

Never Let You Go

Dima Bilan (Дима Билан)

Heavy clouds, no rain
And every move causes pain
Ready kiss, but no love
I feel I'm torn in half
Ardent look, but no heat
It's not you really need

Baby, now it's happened with us
We are dancing on broken glass
Can't stand no more

Never, never let you go
You are the one I'm searching for
Flesh of my flesh, bone of my bone
Love's carving it in the stone
Never, never let you go
Return the days we had before
Soul of my soul, blood of my blood
Love's carving it in my heart

Gentle words, no aim
It seems we're playing a game
Easy smile, but no fun
Sweet music for no one
Close embrace, but no more
Cold Champagne we forgot to pour

Baby now it's happened with us
We are dancing on broken glass
Can't stand no more

Never, never let you go
You are the one I'm searching for
Flesh of my flesh, bone of my bone
Love's carving it in the stone
Never, never let you go
Return the days we had before
Soul of my soul, blood of my blood
Love's carving it in my heart
Love's carving it in my heart

Baby now it's happened with us
We are dancing on broken glass
Can't stand no more

Never, never let you go
You are the one I'm searching for
Flesh of my flesh, bone of my bone
Love's carving it in the stone
Never, never let you go
Return the days we had before
Soul of my soul, blood of my blood
Love's carving it in my heart
Never, never let you go
You are the one I'm searching for
Flesh of my flesh, bone of my bone
Love's carving it in the stone

Never, never let you go
Return the days we had before
Soul of my soul, blood of my blood
Love's carving it in my heart

Love's carving it in my heart
