

Pull Me Under

Dimension

When all is lost and found
I won't run, no I won't
But I need some solid ground
So I won't run
So it won't pull me under
Just pull me closer
So it won't pull me under
Just pull me closer

Just pull me closer
So it won't pull me under

When all is lost and found
I won't run, no I won't
But I need some solid ground
So I won't run
So it won't pull me under
Just pull me closer
So it won't pull me under
Just pull me closer

When all is lost and found
I won't run, no I won't
But I need some solid ground
So I won't run
So it won't pull me under
Just pull me closer
So it won't pull me under
Just pull me closer

Just pull me closer
So it won't pull me under

When all is lost and found
I won't run, no I won't
But I need some solid ground
So I won't run
So it won't pull me under
Just pull me closer
So it won't pull me under
Just pull me closer
