Fix It

Dinah Jane

I'm trying my best to let this come off right
But I know, it's gonna hurt you even if I try
Here I go, I'm over-faking everything's alright
But you know, you know, yeah
There's no room for me in this home
So I go dim myself cause it's all I know
How's it feel for you finally know?
You know, you know, yeah

Well, I'm tired of seeing mama fighting for me
But I know she'll keep fighting 'til she knows I'm ready

Well, now I'm offering to fix it, fix it, fix it
Are you gonna let me fix it, fix it, fix it?
'Cause I know I gotta fix it, fix it
I'm trying to bring light in, ah

I get excited when I reach the door
'Cause I hope that things have changed so I don't have to go, nah
I walk inside into a perfect home
A family that's happy, four walls that catch me
Try to wait so I could make it through, yeah (through)
Ain't keep my place the way you taught me to, nah (taught me to)
I'm losing me instead of losing you
And I don't want to

I'm tired of fighting, will we ever find peace?
My silence can't stop me any longer, are we...

Are we ever gonna fix it, fix it, fix it?
Are you gonna let me fix it, fix it, fix it?
'Cause I know I gotta fix it, fix it
I'm trying to bring light in, ah
No one else is gonna fix it, fix it, fix it
We'll be better in a minute, minute, minute
Once I find out how to fix it, fix it
I'm trying to bring light in, ah

(Twenty years of living like this, and it just gets to a point where you just gotta stand up for yourself, instead of seeing this shit pas s right by you. The time is now, make a change)

Oh now, I'm offering to fix it, fix it, fix it?
Are you gonna let me fix it, fix it, fix it? (Oh)
'Cause I know I gotta fix it, fix it
I'm trying to bring light in, ah...
No one else is gonna fix it, fix it, fix it
We'll be better in a minute, minute, minute (ah)
Once I find out how to fix it, fix it
I'm trying to bring light in, oh...
