

# JUST US TWO

Dinah Jane

Yeah

Ooh ooh ooh ooh ooh ooh  
Ooh ooh ooh ooh ooh ooh  
Ooh ooh ooh ooh ooh ooh  
Ooh ooh ooh ooh ooh ooh

Told him watch out 'cause  
I might get attached  
When you get it all  
You can't get it back  
I'm in my bullshit  
I'm just trying to get a bag  
It's open season, baby  
I ain't got no time for that

I'm a hot girl in my city  
Big dreams, shi, you can get with me  
Play with it like it's COD  
What I said? Baby on your knees  
Call you up, caught you up  
Just to eat it up, eat it up  
You know what's up, it's big enough  
Tryna fuck, now you

Flying private to the islands  
Baby you can fly it  
I know how to ride it  
I don't want a ring  
I just want to sit on it  
I've got all my diamonds  
I just want that

Ooh ooh ooh ooh ooh  
Ooh ooh ooh ooh ooh  
Can we keep it just us two?  
Ooh ooh ooh ooh ooh  
Ooh ooh ooh ooh ooh  
Can we keep it just us two?

Yea I got it like that  
Better make a move  
Everybody want a taste  
But I fuck with you

Ooh ooh ooh ooh ooh  
Ooh ooh ooh ooh ooh  
Can we keep it just us two?

It's you  
Say I'm like a drug  
Higher than a moon  
Like really you be stuck like some  
Fucking glue  
Cuz baby while we're young  
Let's break all the rules

I don't wanna take you on a first date  
I just wanna head, skip to first base  
I've been living in the fast lane  
I'm just tryna treat it like a vacay  
All up in the bed sheets  
Since you let me Imma fly it  
Sky high, baby I know I'm the pilot

Flying private to the islands  
Baby you can fly it  
I know how to ride it  
I don't want a ring  
I just want to sit on it  
I've got all my diamonds  
I just want that

Ooh ooh ooh ooh ooh  
Ooh ooh ooh ooh ooh  
Can we keep it just us two?  
Ooh ooh ooh ooh ooh  
Ooh ooh ooh ooh ooh  
Can we keep it just us two?

Yea I got it like that  
Better make a move  
Everybody want a taste  
But I fuck with you

Ooh ooh ooh ooh ooh  
Ooh ooh ooh ooh ooh  
Can we keep it just us two?
