

A Man Only Does (What a Woman Makes Him Do)

Dinah Washington

Treat him gentle and he'll be gentle too
Be sentimental, he'll be the same with you
A man only does what a woman makes him do, oh yeah!

Make him your king, you'll be his queen for sure
Make him a home, he'll make that home endure
A man only does, ooh, what a woman makes him do!

Show him a star in the heavens
Then show him the rainbow bend
He'll bring that star from the heavens
And the gold from the rainbow's end!

Give your all, he'll give his all to you
Give him a true love, his love will be as true
A man only does what a woman makes him do-oo-oo!
