

I've Got My Love To Keep Me Warm

Dinah Washington

The snow is snowing, the wind it is blowing
But I can weather the storm
What do I care how much it may storm
I've got Rafael to keep me warm

I can't remember our worst December
Just watch those icicles form
What do I care if icicles form
'Cause I've got Papa Ceasar to keep me warm

Off with my mink coat, off with my gloves
I need no mink coat, uh uh, I'm burning up with love
My heart's on fire, the flame grows higher
So I will weather the storm
What do I care how much it may storm
Yes, I've got my love to keep me warm

My heart's on fire
Uh, how the flame grows higher
But I guess I can weather the storm
What do I care how much it may storm
'Cause I've got my love to keep me warm
