

There'll Be Some Changes Made

Dinah Washington

Now there's a change in the weather
And there's a change in the sea
So from now on there'll be a change in me
My walk will be different, my talk and my name
Nothin' about me is gonna ever be the same
I'm gonna change my way of livin' and if that ain't enough
Then I'll change the way I strut my stuff
'Cause nobody wants you when you're old and gray
There'll be some changes made today
There'll be some changes made

Now there's a change in the weather
And there's a change in the sea
So from now on there'll be a change in me
My walk will be different, my talk and my name
Nothin' about me is gonna ever be the same
I'll change my way of livin' and if that ain't enough
I'll even change the way I strut my stuff
'Cause nobody wants you when you're old and gray
Now there'll be some changes made today
Said there'll be some changes made
