

# With A Song In My Heart

**Dinah Washington**

With a song in my heart, I behold your adorable face  
Just a song at the start, but it soon is a hymn to your grace  
When the music swells, I'm touching your hand  
It tells that you're standing near, oh

At the sound of your voice, heaven opens its portals to me  
Can I help but rejoice that a song such as ours came to be  
But I always knew I would live life through  
With a song in my heart for you

Well, at the sound of your voice, heaven opens its portals to me  
Can I help but rejoice that a song such as ours came to be  
But I always knew I would live life through  
With a song in my heart for you
