

# Goin' Home

Dinosaur Jr.

In the place you said you'd meet me,  
I don't see you hanging around.  
I'm goin' home.

If that's all you ever tell me,  
seems you don't wanna be found  
I'm goin' home.

Don't come over, I can't get lower.  
No more meetin', I been beaten

Got a blast of what I should be busy doing.  
Guess I'm low.  
I'm goin' home.

I want to tell you that I miss you,  
but I'm pissed you blew me off  
I'm goin' home.

No more meetin', I been beaten  
Go ahead fake it, I can't shake it

I breathe on the notion...  
I breathe, nothin' I can do.

Vibes are poundin',  
the tension's mountin',  
wrapped around me feelin' tight.  
I'm goin' home.

If you're castin' out some psycho,  
need-me tantrum, I won't bite.  
I'm goin' home.  
On a day that's burnin' this craze,  
don't tempt me 'cause I might  
I'm goin' home.

If it's gonna be the last time,  
well then maybe it's alright.  
I'm goin' home.

It's inside, but go ahead fight it.  
I've about had it, go ahead grab it.  
I can't take it, go ahead fake it.

I breathe on the notion...  
I need and you know it's true  
I breathe on an old dream...  
I need, but nothin' I can do.

People tell me that you miss me and I guess I'm doin' fine
