

## I Got Lost

Dinosaur Jr.

And I know the way  
Yeah, I feel it  
All the way  
All the way, Lord

It feels the same to me  
But I mean it  
I've been cold  
I've been cold, Lord

And I know the way  
And I mean it  
It's been done  
It's been done, Lord

I got lost again  
Couldn't feel it  
Pull me back  
Pull me back, Lord

And I have a place  
Can I keep it  
For awhile  
For awhile, Lord

I got lost again  
But I need it  
Pull me back  
Pull me back, Lord

All the way  
All the way, Lord  
Can we be the same again?  
Can we be the same again?  
Can we be the same again?  
Can we be the same, Lord?
