

## Just Like Heaven

Dinosaur Jr.

Show me how you do that trick  
The one that makes me scream, she said  
The one that makes me laugh, he said  
And threw her arms around my neck

Show me how you do it  
And I promise you I promise that  
I'll run away with you  
I'll run away with you

Spinning on that dizzy edge  
I kissed her face and kissed her hair  
And dreamed of all the different ways I had  
To make her glow

Why are you so far away, she said  
Why won't you ever know that I'm in love with you  
And I'm in love with you

[Chorus:]

You  
Soft and only  
You  
Lost and lonely  
You  
Strange as angels  
Dancing in the deepest oceans  
Sitting in the water  
You're just like a dream  
You're just like a dream

Daylight licked me into shape  
I must have been asleep for days  
And moving lips to breathe her name  
I opened up my eyes

And found myself alone alone  
Alone above a raging sea  
That stole the only girl I loved  
And drowned her deep inside of me  
You
