Pick Me Up

Dinosaur Jr.

Later on I will find you Not too strong Not the squire(?) I've been holding off so long Can't admit that I was wrong I've been stung when I've been weak In the end I disappear But I've gone All along Pick me up Cut me out Tie me up You're still smiling I've been wasting all these years Still you haven't disappeared I've been lifted I've been poor And I don't think I belong Am I wrong? All along Hold on, hold on Hold on, hold on Hold on Hold on Hold on Hold on, hold on Hold on, hold on Hold on Hold on Hold on Hold on, hold on Hold on, hold on Hold on Hold on Hold on Can't hold on Well I smile Could I reach you All the while I can't stop It's always been Awfully useless You just smile and Can I scream Am I hurt I still miss you

I still burn

Can I bend To your will Know I need to Have to learn
