

I've been busy counting  
Every drop of rain  
And I ain't scared of drowning  
Cause I told you once, I told you twice  
I swear I must have said a thousand times

If I am the water  
Then I am the rain  
If I am the fire  
Then I am the flame

Eleven eleven  
Eleven eleven  
Eleven eleven  
Eleven eleven

I've been busy burning  
Matches with the flame  
But I ain't scared of dying  
Cause I told you once, I told you twice  
I swear I must have said a thousand times

If I am the water  
Then I am the rain  
If I am the fire  
Then I am the flame

Eleven eleven  
Eleven eleven  
Eleven eleven  
Eleven eleven

They're trying to get out  
They're never gon' get out  
Eleven eleven  
Eleven eleven

Eleven eleven  
Eleven eleven  
Eleven eleven  
Eleven eleven

Eleven eleven  
Eleven eleven  
Eleven eleven  
Eleven eleven
