

## Bella

### Dinosaur Pile-Up

Yeah, you're bored and I can tell  
Go home, you might as well  
I'm torn to shreds  
Because, Bella, your body is giving me hell

Yeah, I Wondered whenever I did fall  
Under your spell, my dear Bella  
There's just something you just gotta know

Bella, I'm in love, yeah  
What is mine is yours, yeah  
Go ahead and take it all because I'm yours

Yeah, come in you'll catch a cold  
Your eyes as bright as gold  
Your hair as black as coal, Bella  
Your body is giving me chills

Yeah, I wondered whenever I did fall  
Under your spell, my dear Bella  
There's just something you just gotta know

Bella, I'm in love, yeah  
What is mine is yours, yeah  
Go ahead and take it all  
Because I'm yours  
Bella, I'm in love, yeah  
What is mine is yours, yeah  
Go ahead and take it all  
Because I'm yours  
Bella, I'm in love, yeah  
What is mine is yours, yeah  
Go ahead and take it all  
Because I'm yours, I'm yours
