

## Bruise Violet

### Dinosaur Pile-Up

You wanna feel the world  
Too bad your sky turned red  
Animals build your soul  
To green lands and mountains, but

You wish I'd feel the violets  
I wish we'd talk about somethin' else  
You feel so "I ain't my expense"  
Funny how bruises turn so

Violet  
Bruises so violet  
Bruises so violet  
Beautiful violets  
Beautiful

You wanna feed your soul  
Become a richer man  
Not so sentimental  
Never the same again

I wish you'd feel my violets  
You wish we'd talk about something else  
You feel so "I ain't my expense"  
Funny how bruises turn so

Violet  
Bruises so violet  
Bruises so violet  
Beautiful violets  
Beautiful

Beautiful, beautiful  
Beautiful, beautiful  
Beautiful, beautiful  
Beautiful

Violet  
Bruises so violet  
Bruises so violet  
Beautiful violets  
Beautiful
