

Gimme Something

Dinosaur Pile-Up

Cry over spilled milk or drink off the floor
It's just a question of who wants it more

Yeah, this time
You can read my mind
Just...

G-Gimme something that's worth fighting for
Don't wanna be a zero anymore
G-Gimme something that's worth dying for
Don't want to leave here with nothing at all

I sold my poor soul to the water board
Had nothing left, yeah, so they took it all

Yeah this time you can read my mind, cause...
All this time I've been trapped inside, just...

G-Gimme something that's worth fighting for
Don't wanna be a zero anymore
G-Gimme something that's worth dying for
Don't want to leave here with nothing at all
