

I've Felt Better

Dinosaur Pile-Up

Fuck it

Give a fuck, lost my way
I got sick, now shit's not the same
I survived, killed my ego
Crazy how much that shit could change
Now my head's an empty apartment
Maybe I'll take a walk and just stand in the rain
It's been a hell of a ride, I guess you could say
I've felt better

I've felt better
I've felt-

Suck it up, times be rough
Fucking 2020, man, what the fuck?
Why's everything lost its meaning?
Crazy how much two years could suck

Now my head's an empty apartment
Maybe I'll take a walk and just stand in the rain
Or like, whatever, fuck it!

Yeah
I guess you could say
Lately, I'm feeling
A little bit under the weather
Guess I've felt better
I guess you could say
Lately, I'm feeling
A little bit under the weather
Guess I've felt better

So I wake up, the world is fucked
Ye's a fucking Nazi, MGK's a punk
Wait a second, I got a question
Shit is fucking weird, how long have I been out?

Now my head's an empty apartment
Maybe I'll burn it down
Fuck it, it's all the same
It's been a hell of a ride I guess, see ya

Yeah
I guess you could say
Lately, I'm feeling
A little bit under the weather
Guess I've felt better
I guess you could say
Lately, I'm feeling
A little bit under the weather
Guess I've felt better

Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah

Yeah

I guess you could say
Lately, I'm feeling
A little bit under the weather
Guess I've felt better
I guess you could say
Lately, I'm feeling
A little bit under the weather
Guess I've felt better

Guess I've felt better
Guess I've felt better
Guess I've felt better
Guess I've felt better
