

Red and Purple

Dinosaur Pile-Up

Yeah
Once in a while
I feel at home
Put on a smile
But I ain't having fun

All dressed in white
I'll play a part
I didn't write
But can you tell I'm not OK?

Yeah, sit down in a circle
Till I come around
In red and in purple
I wrote on the ground
If God loves the weirdos
God bless my ups and downs
Downs, downs

Yeah
Those other guys
So self-assured
I wonder why
I'm a weirdo

Yeah, open your mind
Nothing inside
Am I surprised?
Am I ever, ever, OK?

Yeah, sit down in a circle
Till I come around
In red and in purple
I wrote on the ground
If God loves the weirdos
God bless my ups and downs
Downs, downs

Yeah, sit down in a circle
Till I come around
In red and in purple
I wrote on the ground
If God loves the weirdos
God bless my ups and downs
Downs, downs, downs

Yeah, sit down in a circle
Till I come around
In red and in purple
I wrote on the ground
If God loves the weirdos
God bless my ups and downs
Downs, downs
