

# Willow Tree

## Dinosaur Pile-Up

I played the fool before  
I've been a jerk for sure  
I'll tell you now  
Not anymore

I've been out in the cold  
All dripped and wet with gold  
You never asked  
I never told  
Yeah  
Yeah

Willow tree  
Why do you grow over me?  
I'll never know  
Willow tree  
Why do you grow over me?  
I'll never know

Dreams' all but gone to waste  
Chocked out with everything  
You fooled me once  
Never again

I crawled out of the hole  
True blood out in the stone  
I waited but  
You never showed  
Yeah  
Yeah

Willow tree  
Why do you grow over me?  
I'll never know  
Willow tree  
Why do you grow over me?  
I'll never know  
Willow tree  
Why do you grow over me?  
I'll never know  
Willow tree  
Why do you grow over me?  
I'll never know  
Willow tree  
Why do you grow over me?  
I'll never know

Yeah  
Willow tree  
Why do you grow over me?  
I'll never know  
Willow tree  
Why do you grow over me?  
I'll never know  
Willow tree  
Why do you grow over me?  
I'll never know  
Willow tree  
Why do you grow over me?  
I'll never know  
Willow tree  
Why do you grow over me?  
I'll never know
