

# All the Fools Sailed Away

Dio

There's perfect harmony  
In the rising and the falling of the sea  
And as we sail along  
I never fail to be astounded by  
The things we'll do for promises  
And a song

We are the innocent  
We are the damned  
We were caught in the middle of the madness  
Hunted by the lion and the lamb

We bring you fantasy  
We bring you pain  
It's your one great chance for a miracle  
Or we will disappear  
Never to be seen again

And all the fools sailed away  
All the fools sailed away  
Sailed away

We bring you beautiful  
We teach you sin  
We can give you a piece of the universe  
Or we will disappear  
Never to return again

And all the fools sailed away  
All the fools sailed away  
All the fools sailed away  
Sailed away  
Sailed away

And as we drift along  
I never fail to be astounded by  
The things we'll do for promises  
And a song

We are the innocent  
We cut we bleed  
We're your one great chance for a miracle  
And a miracle is something you need

They'll take your diamonds  
And give you steel  
you'll be caught in middle of the madness  
Lost like them  
And a part of all the pain that they feel

And all the fools sailed away  
All the fools sailed away  
All the fools sailed away  
Leaving nothing to say  
All the fools sailed away

They say you're beautiful

And they'll always let you in  
But doors are never open  
To a child without a trace of sin

Sail, sail, sail
