

# King of Rock and Roll

Dio

Hot nights - summer in the city  
Just about to smoke and burn  
Look out - He's evil but he's pretty  
And oh he's gonna twist and turn

He's got the midnight madness  
He's got control

He's the King of Rock and Roll

Bad blood - Everybody knows it  
But everybody doesn't care  
He's got the only way to show it  
They want to see it everywhere  
He's got to give you fever  
He'll scratch your soul

He's the King of Rock and Roll  
He's the King of Rock and Roll

Bad boy - Always on the cover  
Gettin' the story told  
Fast Fast - One way or another  
Cause he'll never never never never never get old

He makes a special magic  
And you've got control  
You are the King of Rock and Roll

He's got the midnight madness  
He's got a soul

Cause he's the King of Rock and Roll  
The King of Rock and Roll  
The King of Rock and Roll  
The King of Rock and Roll  
The King of Rock and Roll
