

A Funny Feeling

Dion

I gotta funny little feelin'
Like I'm walking on a ceilin'
I got a funny feeling
Here I go again
I've been feeling kind of funny
Like a bee without it's honey
I got a funny feeling it's not going to well
And when I looked into a certain pair of eyes
I feel like someone completely hypnotised
And my poor heart goes pitter-patter
So there's just one thing to matter
I got a funny feeling
I'm in love again

(Oooh oooh aaaah aah aah aah aah)
(Ooh oh oh aah aah aah)

And when I looked into a certain pair of eyes
I said I begin to feel like someone
Completely hypnotised
And my poor heart goes pitter-patter
So there's just one thing to matter
A funny feeling here I go again
