

# Bam Bang Boom

Dion

I used to drink, I used to cry  
I used to rage against the sky  
I woke up angry, I stayed up late  
I cursed the sunshine and I cursed my fate

Bam, bang, boom  
Caroline, Caroline  
You saved my soul, little girl  
You eased my worried mind

I earned a bullet  
I picked some fights  
I wasted days and I wasted nights  
I said some things shoulda never been said  
If I got what's coming  
Man, I'd sure be dead  
But bam, bang, boom  
Oh, little girl, my Caroline  
You saved my soul, little girl  
You eased my worried mind

Caroline, Caroline  
(Bam, bang, boom)  
(Bam, bang, boom)  
(Bam, bang, boom)  
(Bam, bang, boom)  
(Bam, bang, boom)  
I used to look at what I ain't got  
I was always angry 'bout what I'm not  
I was always losing at the game of love  
I blamed it all on God above

But bam, bang, boom  
Caroline, Caroline  
Little girl, you saved my soul  
You eased my worried mind  
You eased my worried mind, baby (Bam, bang, boom)

Caroline (Bam, bang, boom)  
Wow, bam, bang, boom (Bam, bang, boom)  
Bam, bang, boom (Bam, bang, boom)  
Wow, baby (wow)  
Hey, hey (Bam, bang, boom)  
Bam, bang, boom (Bam, bang, boom)  
Bam, bang, boom (Bam, bang, boom)  
Bam, bang, boom (Bam, bang, boom)  
Wow, bam, bang, boom (Bam, bang, boom)  
Caroline, Caroline  
You eased my worried mind
