

Blues Comin' On

Dion

I'm at the station
You took a train
Standing, waiting in the rain
Baby, somethin' wrong

Well, if I didn't know better
I'd feel the blues comin' on

I call your number
Me on the line
Why don't you answer and ease my mind
Somethin' wrong

Well if I didn't know better
I'd feel the blues comin' on

You know I wrote you a letter
Sent a telegram
The postman said you don't know who I am
Baby, something's wrong

Well if I didn't know better
I'd feel the blues comin' on

I feel em coming' on, baby
Oh baby
Blues comin' on
All night long
Oh baby

Look it here
I bought you roses
Sent you wine
Come on, baby, just be kind, little girl
Something's wrong

Well if I didn't know better
I'd feel the blues comin' on

You can take my money
Take me for a fool
Take what you want
Don't treat me cruel, little girl

Something's wrong

Well if I didn't know better
I'd feel the blues comin' on

Hey, baby
Hey, baby
Blues comin' on
Hey baby, baby, baby

Last time I saw you, you walked away
Haven't seen you since that day
Baby, little girl, somethin' wrong

Well if I didn't know better
I'd feel the blues comin' on

Wow, I'm at the station
You took a train
I'm standing, waiting in the rain
Baby, something's wrong

Well, if I didn't know better
I'd feel the blues comin' on
