

# Don't You Want A Man Like Me

Dion

Some like it hot, sit in the sun  
They're what I'm not, they just hit-and-run  
How could they not fall for your charms?  
I'll tell you what, I want you in my arms

Whoa, now, baby, yeah, don't you want a man like me?  
Whoa, now, little girl, yeah, no one like me

You stir the pot, you stir deep  
You got me cookin', baby, I can't sleep  
I think I'm ready, I think I'm done  
Done with my looking, baby  
You're the one

Whoa, now, hey, hey, hey  
Don't you want a man like me?  
(Said I've got to have a man like you)  
Whoa, now, little girl, yeah  
There ain't no one like me  
(There ain't no one like you, baby)  
(Mm-hm-hm, hey-hey-hey)  
(Man like you, baby, oh)

You're hot to trot, win place or show  
My heart is racin', pony, don't you know?  
I think you do, I think you're fine  
Let's move it, baby, to the finish line

Come on, little girl, now don't you want a man like me?  
(Got to have a man like you)  
Whoa, now, baby, just you wait and see  
(Got to have a man like you)

Hey, right on the dot, you show up now  
You hit the spot, and baby, I'll tell you how  
Let's tie the knot, let's tie it tight  
I got a lot to lease us every night

Come on, babe (baby)  
Come on, baby, don't you want a man like me? (Oh, yes)  
(I've got to have a man like you)  
Don't look no further, babe (don't look no further now)  
Wait and see  
(Gotta to have a man like you, gotta have it)  
Hey!

You got a lot, and I got more  
I watch you walkin' to the kitchen door (watch me walkin')  
Oh, the sway, oh, what a view (oh)  
I'll find a way to get my hands on you

Can I, babe? (Hey, baby)  
Don't you want a man like me?  
(Gotta to have a man like you)  
Whoa, now, little girl, little girl  
(Yes, I do, I want a man just like you)  
(Just like you)

Yeah, some like it hot, they sit in the sun  
They're what I'm not, they just hit-and-run  
How could they not fall for your charms?  
I'll tell you what, I want you in my arms

Baby, whoa, little girl, don't you want a man like me? (Whoa, hey)  
(Got to have a man like you)  
Don't look no more  
(Don't hold back no more) ain't no man like me  
( 'Cause there's no man like you, baby, all right)

Yeah  
I'm there for you, baby  
(Oh, you know I like it like that, baby)  
I'm here for you, darling  
(Oh, talk to me, talk to me)  
Yeah, now, baby  
(All right, all right)

On and on  
(Baby, baby)  
Yeah, now, baby  
(I like it like that)  
Darling  
(Hey)
