

# He's The One

Dion

God made ready the coming of the King  
He told all the prophets exactly what He'd bring  
A promise to His children written on their hearts and  
True love forever and He ain't never gonna part

And He's the One  
He's the only One  
He is the power, He's the glory  
He's the One they call God's only Son

Extraordinary powers He truly did possess  
Gentle as a lamb, children He caressed  
Demonstrating signs His Father was with Him  
A servant to mankind, a king deep down within

And He's the One  
He's the only One  
He is the power, He's the glory  
He's the One they call God's only Son

People they ask me if I dance  
What about my soul?  
My feet are on the Rock  
And my name is on the roll  
The One they call the Master  
The One they call the Lord  
He bought me for Christ  
The One I want to know

There's no doubt about it He lives in me today  
He sent His Holy Spirit there for showing me the way  
I was blind, I was fighting  
Trying to live it right  
Grace alone, God has made me see the light

And He's the One  
He's the only One  
He is the power, the glory  
He's the One they call the Father's Son, hey

He is the One  
He's the One  
He is the One, the One, the One, the One, the One  
He is the Son  
He is the power, He's the glory  
The One they call God's only Son

He's the One  
Got to tell somebody  
He's the One  
He is the One, the One, the One, the One, the One  
He's the Son  
Do you hear me?  
Ooooooh  
Can you hear me?  
He's the One

Everybody wants to live  
Nobody wants to cry  
They all want to go to Heaven  
But nobody wants to die  
He's the One they call the Master  
The One they call the Lord  
He bought me for Christ  
The One I once I ignored

There's no doubt about it, He lives in me today  
Sent His Holy Spirit, God is showing me the Way  
I was blind, I was fighting, I was trying to live it right  
But His grace - and His grace alone - has made me see the light

And He's the One  
He's the One  
He is the power, He's the glory  
He's the One they call God's only Son

Ah, He's the One  
Ah-ha, He's the One  
He is the One, the One, the One, the One, the One  
He's the Son  
Ooooooh  
He's the One  
He's the One  
He is the One, the One, the One, the One, the One  
He's the Son  
Ooooooh  
The power, the glory  
He is the One they call the Son  
Yeah, He's the One  
He's the One
