

Hey Suzy

Dion

Hey, hey, Suzy
I saw you last night in your party dress
Your makeup perfect, your hair a perfect mess
I must confess

Hey, hey, Suzy
A love that I've been holding
Felt like the walls are closing in around me
I must confess

Confess to the crime of loving you
And everything that comes up, I confess that I do
Honest, I do

Hey, hey, Suzy
Look out in the evening sky
There's a big ol' love at mowness riding high
Let's take a ride

Hey, hey, Suzy
Just out, past the city line
Where the air is clean and the water tastes like wine
Let's take a ride

It ain't even a half past eleven
But we've got time to make it to heaven tonight
Suzy, tonight

Suzy, look at me
Suzy, come with me
Suzy, let's blow this town
This town is got me down
Brings me down, down, down, down, down, down, down

Hey, Suzy
Honest as the day is long
All I want is everything you want
Honest, I do

Hey, hey, Suzy
It's not just your dress that's blue
I know I am, I think that you are too
Honest, I do

Blue is the color of a lonesome me
Lonesome and blue you don't have to be no more
Suzy, no more

Suzy, look at me
Suzy, come with me
Suzy, let's blow this town
This town brings me down
Brings me down, down, down, down, down, down, down

Oh hey, hey, Suzy
It's not that your dress that's blue
I know I am, and I think that you are too

Honest, I do

Blue is the color of a lonesome me
Lonesome and blue you don't have to be no more
Suzy, no more

Come over here
Here I come

Suzy, no more
