

# I Got Wise

Dion

Used to be my pleasure boy, my teddy toy  
My ever-joy  
Used to give me all your cash, all your stash  
Oh, so brash

Look again, where did he go?  
I don't know, I don't know  
Tell me no lies, tell me no lies  
Tell me no lies

Darling, now I'm gone away across the bay  
Yesterday  
You thought I could be your fling, second string  
To wear no ring

Seems to me that this romance  
Had no chance in advance  
Now I got wise  
Now I got wise  
Now I got wise

To get it right and get it real  
You felt the feel, you know the deal  
Now you blame it all on me and suddenly  
You go absentee

Gotta tell you, cool it Jack  
You'll be back, that's a fact  
You'll realize, you'll realize  
You'll realize

Watch me while I underscore, that is all  
Move the dog  
Greater as He that is in me  
You will see, I'm free

I think I got a hook in you  
One or two  
That'll do  
You'll realize  
You'll realize  
No, I got wise

Now I got wise (you'll realize)  
Now I got wise (you'll realize)  
Now I got wise (you'll realize)  
Now I got wise
