

# I'm All Rocked Up

Dion

Hey this is really how I am  
This is really how I dance  
This is really how I dress  
This is really how I wear my pants

I got a life that fits me well  
Just like my coffee fits my cup  
Baby you know you ring my bell  
I'm all rocked up  
I'm all rocked up  
Uh huh huh  
Whoo whoo whoo whoo  
Whoo whoo whoo whoo

I've got a back seat full of clothes  
I've got a [?]  
I've got a strobe light in my eyes  
I've got a flip heart [?] inside

I got a life that fits me well  
Just like my coffee fits my cup  
Baby you know you ring my bell  
I'm all rocked up  
I'm all rocked up  
Uh huh huh  
Whoo whoo whoo whoo  
Whoo whoo whoo whoo  
Hey hey hey

I've got an attitude that fails  
I can't go within [?]  
I've come to change my momma's [?]  
This just my status quo  
I got a life that fits me well  
Just like my coffee fits my cup  
Baby you know you ring my bell  
I'm all rocked up  
I'm all rocked up  
Why should I cry when I can wail  
I got a drive that fits me well  
They say I'm crazy what the hell  
I'm all rocked up  
I'm all rocked up  
Writing you letter called my cell  
I got a life that fits me well  
I got story I can tell  
I'm all rocked up  
I'm all rocked up  
Whoo whoo whoo whoo  
Whoo whoo whoo whoo  
Hey this is really how I am  
This is really how I dance  
This is really how I dress  
This is really how I wear my pants

I got a life that fits me well  
Just like i got coffee in my cup

Baby you know you ring my bell  
I'm all rocked up  
I'm all rocked up  
Uh huh huh  
Whoo whoo whoo whoo  
Whoo whoo whoo whoo

I'm all rocked up  
I'm all rocked up  
Baby  
I'm all rocked up  
I'm all rocked up  
Baby
