

I'm Through With Love

Dion

I'm through with love
I'll never fall again
Said "Adieu" to love
Don't ever call again
For I must have you or no one
And so I'm through with love

I've locked my heart
I'll keep my feelings there
I have stocked my heart
With icy frigid air
And I mean to care for no one
Because I'm through with love

Why did you leave me
To think you could care?
You didn't need me
For you had your share
Of slaves around you
To hound you and swear
With deep emotion
Devotion to you

Goodbye to spring
And all it meant to me
It can never bring
The things that used to be
For I must have you or no one
And so I'm through with love
(Through with love)
Through with love
(Through with love)
