

# Just You

Dion

I would climb the highest mountain  
I would swim the deepest sea  
I would climb the highest mountain  
So that I could always be

With you (with you)  
Just you

I would hold you in my arms dear  
Kiss you everyday  
I would hold you in my arms dear  
In a very tender way

Just you (Just you)  
Just you

I would say to my darlin'  
I need you more and more  
I would say to you my darlin'  
It's you I'm waiting for

Just you, no one but you

I would love you so sincerely  
I would love you, only you  
I would love you, oh so dearly  
If you only would be true, to me (Just you)

Just you

I would say to you my darlin'  
I need you more and more  
I would say to you my darlin'  
It's you I'm waiting for  
Just you, no one but you

I would hold you in my arms dear  
Kiss you every day  
I would hold you in my arms dear  
In a very tender way  
Just you (just you)  
Just you
