

Oh Happy Days

Dion

Oh sun is shining, oh happy day
(No more troubles, no skies of gray)

The sun is shinin', oh happy day
No more troubles, no blue skies of gray
Ever since, dear, you said those words to me
(Oh sun is shining, oh happy day)
(No more troubles, no skies of gray)
The moon is shinin', oh happy night
Come to me, darlin', and make things all right
Oh happy day, wo love give me
(Oh sun is shining, oh happy day)
(No more troubles, no skies of gray)

Oh sun is shining, oh happy day
No more troubles, no skies of gray
Ever since, dear, you said those words to me

(Oh sun is shining, oh happy day)
No more troubles, no skies of gray
