

Sunniland

Dion

I get up in the early morning
Sun dripping through the blinds
Like honey
With Susanne

Baby, my Susanne
You know you make my life
Down in Sunniland

Green as you know I need you
All I want to do love
Is feed you, my Susanne

Baby, my Susanne
You make my life
Down in Sunniland

I'm sorry 'bout lies I told you
All I want to do, love is hold you
My Susanne

Baby, Susanne
You make my life
Down in Sunniland
