

# Told You Once In August

Dion

I told you once in August  
Told you once in May  
Told you once in August  
I told you once in May  
Well, don't say I never warned you now, child  
Don't you say you got no say

I been working hard for you, baby  
I swing a hammer all day long  
I'm working hard for you, baby  
I swing a hammer all day long  
Then I get home in the evening now, child  
I find you do me wrong

When ya come home after midnight  
Ya got his whisky on your kiss  
Oh, when ya come home after midnight, baby  
Ya got his whisky on your kiss (whisky on your kiss)  
Can't get enough of cheatin' now, baby  
I had enough of this

Well, I told you once in August  
I told you once in May (told you once in May)  
Well, I told you once in August  
I told you once in May  
Well don't say I didn't warn you now, child  
Don't you say you got no say

I saw you come down from the mountain  
With moonlight on your back  
I saw you come down from the mountain, baby  
Moonlight on your back

I saw you breaking my heart now, baby, now yeah  
Dealing another Jack

Now I wish you weren't so lovely, baby  
I wish I didn't feel this pain

Wow, I wish you weren't so lovely, baby  
Wish I didn't feel this pain

I wish I never heard you singing, little girl  
In the summer rain

The day I met you in the ocean, baby  
I looked up to the sky

The day I met you in the ocean now, baby  
I looked up to the sky

Well, I'm still looking up there, baby  
Looking up and wonderin' why

Well, I'm still looking up there now, baby  
Looking up and wonderin' why  
Wondering why, baby
