

Uptown Number 7

Dion

I'm on the Uptown Number Seven
I'm on the Uptown goin' home
Train that's bound for glory
I'm on the Uptown going home

Won't get off at any station
I won't let my heart to roam
I'm all in, baby, close the door
I'm the Uptown going home

Won't get off for any money
Any hype or any deal
Won't get off for any honey
No matter how I feel

Won't get off at any station
I won't let my heart to roam no, no, no, no, yeah
I'm all in, baby, close the door
I'm on the Uptown goin' home

Won't get off for any power
Won't get off for any fame
Won't get off for any pleasure
I don't care if it calls my name

Won't get off for any glory
Any honor or any praise
Won't get off for any reason
Till the end of my earthly days

I'm on the Uptown Number Seven
I'm on the Uptown, I'm goin' home
It's a train bound for heaven
I'm on the Uptown goin' home

Won't get off at any station
I won't let my heart to roam no no no no
I'm all in, baby, close the door
I'm on the Uptown, I'm goin' home
I'm on the Uptown, baby
