

Very Soon

Dion

Anticipation

Very soon

He is coming back for us

It could be very soon

Very soon

He wants the world to know

That He's got plenty of room

His grace has made it all come true

Freedom from sin in this world for me and you

There ain't no chains to keep us down

And when the Master comes we won't be hangin' around

We'll hear the sound of the trumpet everywhere

We'll be caught up in the clouds to meet Him in the air

Very soon

He is coming back for us

It could be very soon (Hallelujah)

Hah, excitement

I'm ready and waiting

He said we'd never have to die

He said our bodies will be changed

In the twinkling of an eye

Come and behold the mystery

Sin and the sting of death

Is swallowed up in victory

We'll hear the sound of the trumpet everywhere

We'll be caught up in the clouds to meet Him in the air

Very soon

He wants the world to know

That He's got plenty of room

These words are always on my mind

Jesus is coming it could be any time

(Very soon)

(Very soon)

I keep falling in love with Him

Over and over and over again

I keep falling in love

(Very soon)

Over and over and over again

I'll be ready and waiting

(Very soon)

These words are always on my mind

Jesus is coming it could be any time
