Magic

Dionne Bromfield

Call it magic
Call it truth
I call it magic
When I'm with you
And I just [?]
Broken into two
I call it magic
When I'm next to you

And I don't and I don't and I don't and I don't, no I don't, it's tru
e
I don't, no I don't, no I don't, no I don't, don't want anyone but yo
u
I don't, no I don't, no I don't, no I don't, no I don't, it's true
I don't, no I don't, no I don't, no I don't, want anybody else but yo
u

Call it magic
Cut me into two
And with all your magic
I disappear from view
And I can't get over
Can't get over you
Still I call it magic
Such a precious truth

And I don't and I don't and I don't and I don't, no I don't, it's tru
e
I don't, no I don't, no I don't, no I don't, don't want anyone but yo
u
I don't, no I don't, no I don't, no I don't, no I don't, it's true
I don't, no I don't, no I don't, no I don't, want anybody else but yo
u

Wanna fall, fall so [?]
Wanna fall, fall so hard

And I call it magic
And I call it truth
Yeah I call it magic
And I call it truth
Yeah I call it magic, yeah
And call it truth
Call it magic
Call it truth

And if you were to ask me
After all that we've been through
Do you believe in magic
Well yes I do
Yes I do
