

# Silly Love

Dionne Bromfield

There was a time  
That me and you messed around  
But we kept it underground, our little love song  
Then I, I got so caught up on us  
Blinded by what love was, couldn't see nothing wrong

I can't help, I can't help  
Can't help the way I'm feeling  
I see it, I see it  
The history repeating  
Now you got me you don't wanna know  
Boy, I guess you reap just what you sow

Silly love, stupid love ruins everything  
Gave you trust wanted us to have everything  
You silly love  
You silly love  
We carried on, she was gone and you pulled me in  
Nothing changed still the same, baby  
I should've known all along  
Woah, you silly love

Yeah you  
You were with someone one else  
That's why I blame myself, I let me guard down  
But if you, you could do this with me  
Then what good are you for me, I have to live in doubt

I can't help, I can't help  
Can't help the way I'm feeling  
I see it, I see it  
The history repeating  
Now you got me you don't wanna know  
Boy, I guess you reap just what you sow

Silly love, stupid love ruins everything  
Gave you trust wanted us to have everything  
You silly love  
You silly love  
We carried on, she was gone and you pulled me in  
Nothing changed still the same, baby  
I should've known all along  
Woah, you silly love

Now, you've  
Got me where you want  
I, don't  
Need your silly love  
Now, you've  
Got me where you want  
I, don't  
Need your silly love

Silly love, stupid love ruins everything  
Gave you trust wanted us to have everything  
You silly love  
You silly love

We carried on, she was gone and you pulled me in  
Nothing changed still the same, baby  
I should've known all along  
Woah, you silly love
