Yeah Right

Dionne Bromfield

Maybe you caught the train just like you said you did Maybe it broke down but you didn't give up Maybe you got pinned down by all the weight of gifts That you were bringing me to show your love Maybe you got lost on the way back to my house Maybe you called and I was on the phone Maybe you thought if you were late I'd throw you out Maybe you think I like being on my own Yeah right Yeah right I mean honestly You lied to me like I'm not there Yeah right Yeah right You must be mad, you lied so bad Just listen to yourself Yeah right Yeah right You'll lose my love If you keep it up Yeah right, mmm Maybe you got messed up by someone in your past Maybe you give me what I gave to you Maybe it all makes sense of why you run so fast Acting like this is some police interview Maybe you're waiting for my birthday to arrive And then you're gonna tell me everything Yeah right Yeah right I mean honestly You lied to me like I'm not there Yeah right Yeah right You must be mad, you lied so bad Just listen to yourself Yeah right Yeah right You'll lose my love If you keep it up Yeah right, mmm Yeah right Yeah right I mean honestly You lied to me like I'm not there Yeah right Yeah right You must be mad you lied so bad

Just listen to yourself

You'll lose my love
If you keep it up

I mean honestly
You lied to me like I'm not there

Yeah right
You must be mad you lied so bad
Just listen to yourself

Yeah right

You'll lose my love
If you keep it up
Yeah right
