

# Come Out, Come Out Wherever You Are

Dionne Warwick

Come out, come out, wherever you are (come out, come out)  
I know, I know you're not very far  
How I wish you'd hurry 'cause I'm inclined to worry  
These arms of mine are open, hopin' you'll appear  
Where are ya, dear?  
Come out, come out, wherever you are (wherever you are)  
Come out, come out from under that star  
Yes, and incident'ly, (do ya mean) ment'ly I'm not up to par  
So come out, come out, come out wherever you are  
Come on out, come out, wherever you are  
I know, I know you're not very far  
If I sound too eager, my love life has been meager  
I'm just about to blow up, so show up, will ya, gal?

And be a pal  
Come on out, come out, wherever you are (wherever you are, you are)  
Take off (take off) take off from your Shangri-La  
I have tried relaxin', Jackson, but it's the final bow  
So come out, come out, come out wherever you are  
(So come on out, babe)  
Wherever you are (So come on out, babe)  
Wherever you are (So come on out, babe)  
Wherever you are
