

Deja Vu

Dionne Warwick

This is insane all you did was say, 'Hello'
Speak my name
Feeling your love, like a love I used to know
Long ago

How can it be, you're a different space and time
Come to me
Feel like I'm home in a place I used to know
Long ago

Deja vu
Could you be the dream that I once knew, is it you?
Deja vu
Could you be the dream that might come true? Shinin' through
I keep remembering me, I keep remembering you
Deja vu

This is divine, I've been waiting all my life
Filling time
Looking for you, nights were more than you could know
Long ago

Come to me now, we don't have to dream of love
We know how
Somewhere before, it's as if I've loved you so
So long ago

Deja vu
Could you be the dream that I once knew, is it you?
Deja vu
Could you be the dream that might come true? Shinin' through
I keep remembering me, I keep remembering you
Deja vu

Deja vu
Could you be the dream that I once knew, is it you?
Deja vu
Could you be the dream that might come true? Shinin'
