Deja Vu

Dionne Warwick

This is insane all you did was say, 'Hello' Speak my name Feeling your love, like a love I used to know Long ago How can it be, you're a different space and time Come to me Feel like I'm home in a place I used to know Long ago Deja vu Could you be the dream that I once knew, is it you? Deja vu Could you be the dream that might come true? Shinin' through I keep remembering me, I keep remembering you Deja vu This is divine, I've been waiting all my life Filling time Looking for you, nights were more than you could know Long ago Come to me now, we don't have to dream of love We know how Somewhere before, it's as if I've loved you so So long ago Deja vu Could you be the dream that I once knew, is it you? Deja vu Could you be the dream that might come true? Shinin' through I keep remembering me, I keep remembering you Deja vu Deja vu Could you be the dream that I once knew, is it you? Deja vu

Could you be the dream that might come true? Shinin'
