

Extravagant Gestures

Dionne Warwick

And for my life, I've no regrets
At the most, just one or two
I've got everything I need, I've got no regrets
The sun is going to shine again, I don't know when
Violets still are blue, birds still need to fly
We'll be together again, sometime
Keep believing, this I know is true
Planes still make me cry
When someone goes away, someone has to stay

No extravagant gestures for me today

And in my life, I've learned a lot
Of who I am and who I'm not and of who I want to be
I've got no regrets
The sun is going to shine again, I don't know when
Violets still are blue, birds still need to fly
We'll be together again, sometime
Keep believing, this I know is true
It's all about good byes
When someone goes away, like someone did today

No extravagant gestures can make them stay

Birds still need to fly
We'll be together again, sometime
Keep believing, this I know is true
Planes still make me cry
When someone goes away, someone has to stay

No extravagant gestures for me today

We'll be together again, sometime
Keep believing, this I know is true
Planes still make me cry
When someone goes away, someone has to stay

No extravagant gestures for me today

We'll be together again, sometime
Keep believing, this I know is true
