Hey Jude

Dionne Warwick

Hey Jude, don't make it bad
Take a sad song and make it better
Remember to let her into your heart
Then you can start to make it better

Hey Jude, don't be afraid
You were made to go out and get her
Remember to let her under your skin
Then you'll begin to make it better

And anytime you feel the pain, hey Jude, refrain
Don't carry the world upon your shoulders
Don't you know that it's a fool who plays it cool
By making the world a little colder
Na na na, na na, na na na na

Hey Jude, don't let me down
You were made to go out and get her
Remember to let her under your skin
Then you'll start to make it better

So let it out and let it in, hey Jude, begin
You're waiting for someone to perform with
And don't you know that it's just you? Hey Jude, you'll do
The movement you need is on your shoulder
Na na na, na na, na na na na

Hey Jude, don't let me down
You were made to go out and get her
Remember to let her under your skin
Then you'll begin to make it better, better, better, better

Na na na, na na na na
Na na na na, hey Jude
Na na na, na-na na na
Na-na na na, hey Jude

Na na na, na na na na
Na na na na, hey Jude
Na na na, nana na na
Na na na na, all together now, hey Jude
