

# I Got Love

Dionne Warwick

He thinks I'm afraid  
He oughta know I'm not  
Why should I be scared?  
I'm safe and sound because I got love

I got love  
I got love  
I got love, love, love, love, love, love, love, love, love!

I got love  
I got love  
Sweeter than a flower, growin' by the hour  
And I got love!

Sunshine shine  
I got mine  
Carve it on a willow  
And talkin' to my pillow  
And I got love

Every time I'm with him  
I know I'm a lucky girl  
For the first time in my life  
I'm somebody in this world

Bye bye blues  
I can't lose  
I've got a jar of honey  
And every day is sunny 'cause I got love!

Sweeter than a flower and growin' by the hour  
'Cause I got love!

Every time I'm with him  
I know that I'm a lucky girl  
For the first time in my life  
I'm somebody in this world

Bye bye blues  
I can't lose  
I've got a jar of honey  
And every day is sunny 'cause I got love!

I got love!  
I got love!  
I got love, love, love!  
I got love, love, love!  
I got love, love, love, love, love, love, love!  
I got love! [repeat]
