I'll Never Stop Loving You

Dionne Warwick

I'll never stop loving you
Whatever else I may do
My love for you
Will live 'till time itself is trhrough

I'll never stop wanting you And when forever is through My heart will beat The way it does each time we meet

The night doesn't question the stars That appear in the skies So why should I question the stars That appear in my eyes

Of this I'm more than just sure My love will last and endure I'll never, no I'll never stop loving you
