Dionne Warwick

I'm all through with promises, promises now I don't know how I got the nerve to walk out If I shout, remember I feel free
Now I can look at myself and be proud
I'm laughing out loud

Oh, promises, promises
This is where those promises, promises end
I don't pretend that what was wrong can be right
Every night I sleep now, no more lies
Things that I promised myself fell apart
But I found my heart

Oh, promises, their kind of promises, can just destroy a life Oh, promises, those kind of promises, take all the joy from life

Oh, promises, promises, my kind of promises Can lead to joy and hope and love Yes, love!!

Every night I sleep now, no more lies Things that I promised myself fell apart But I found my heart

Oh, promises, their kind of promises can just destroy a life Oh, promises, those kind of promises take all the joy from life Oh, promises, promises, my kind of promises

Can lead to joy and hope and love

Yes, love!!
