

Samba Dobrado

Dionne Warwick

Vai ser pior ainda
Nice lips softly awake
As the Moon goes into the sea
You know the Sun will rise
With a brand new song

Seeing through the eyes of a child
The music starts to play
Para se dançar

Vai ser pior ainda
It takes time to each piece
It's a music so full of life
We will start to dance
We will start to sing

Oh, the ocean will sing along
The waves will get their shore
Para se dançar
The desire swells within us
So now with compassion start to dance
Without ending in tears
So good within us

Basta aprender samba dobrado
Basta aprender samba dobrado
Basta aprender samba dobrado
Basta aprender samba dobrado

Pa-ra-ra-ra, pa-ra, pa-ra

Vai ser pior ainda
It takes time to each piece
It's a music so full of life
We will start to dance
We will start to sing

Oh, the ocean will sing along
The waves will get the shore
Para se dançar

The desire swells within us
So now with compassion start to dance
Without ending in tears
So good within us

Basta aprender samba dobrado
Basta aprender samba dobrado
Basta aprender samba dobrado, iê
Basta aprender samba dobrado

La-la-la-ra-la-la-la, la-la-la-ra-la-la-la
La-la-la-ra-la-la-la, la-la-la-ra-la-la-la

Vai ser pior ainda
Samba dobrado, samba dobrado
Samba dobrado, samba dobrado

Samba dobrado, samba dobrado
Samba dobrado, samba dobrado
